<b>Supplies/All Saints' Equip.</b>	While we supply trash bags and the basics in the restroom, we hope that you will be frugal in using them. <b>Use paper towels, etc. sparingly. Equipment belonging to the campground is to stay at the campground.</b>
<b>Poison Oak</b>	Big Sur and Santa Lucia has their fair share. Please stay clear of it.

<b>Weapons</b>	No weapons of any kind are permitted on the campground – ever!!.
<b>First Aid</b>	<b>Please bring a suitable First Aid Kit.</b> When open, the Big Sur Medical Center may be a valuable resource. A telephone that can be used to call 911, and a key to the Emergency Telephone Box is behind the Camp Host/caretaker’s cabin.
<b>Emergencies</b>	<p><b>EMERGENCY services can be reached with the phone in the First Aid box, or the Emergency Telephone Box behind the caretaker’s cabin, by dialing 911.</b></p> <ul style="list-style-type: none"> <li>Your specific location is: <i>Santa Lucia Campground and Chapel, 46896 Highway 1, Big Sur, CA 93920.</i></li> <li>The phone number for the campground is (831) 667-2310.</li> <li><b><i><u>If you have a problem that requires emergency services (medical, fire, or police), be advised it will take upwards of ONE HOUR for them to arrive on site.</u></i></b></li> <li>The Cordless Phone in the First Aid Box only works if there is power. If power is lost and/or the phone does not work, use the phone in the Emergency Telephone Box located behind the Camp Host Cabin (Northern Side).</li> <li><b>Note:</b> Both emergency phones work off the Plain Old Telephone System (POTS), so you need to dial a “1” before you dial any other number other than 911. For instance, to reach the Camp Host, you must dial <u>1-831-667-2310</u>.</li> </ul>
<b>Electrical Power</b>	<p>Despite the primitive camping and beautiful natural surroundings, electrical power is VERY important at Santa Lucia. It runs both the water and sewer systems. If power is lost, the water and sewer systems will run fine for a time, but will eventually degrade and fail. A good metric to determine how long the power can be out before things get critical is the bathrooms can support around 50 toilet flushes without power, after which they will back up and not be usable. <b>A fee of \$10 per day will be charged for excessive electrical use.</b></p> <p><b><u>It is CRITICAL that if the CAMP LOSES POWER FOR MORE THAN AN HOUR you contact the Camp Host, (1-831-667-2310).</u></b></p>
<b>Wi-Fi Access</b>	There is a Guest WiFi network that can be accessed in limited areas. Please ask the Camp Host how to access it.
<b>Cell Phone Access / Texting</b>	Cell phone coverage at Santa Lucia is spotty at best and completely non-existent at worst. However, if you have cell service with AT&T, you <u>may</u> be able to get reception. Texting may be possible. Ask the Camp Host for details.
<b>Clean up</b>	Please check your campsite and leave it without debris. Then check out with our Camp Host(s) to go over the checklist and retain your security deposit.
<b>Security Deposit</b>	<b>Groups over 40 must submit a \$300 check to the camp host(s) along with Release Forms upon Check In. Check out with Camp host(s) to verify the campsite is left in correct form. The Security Deposit check will be returned upon Check out if warranted and agreed upon by Camp Host(s).</b>
<b>Departure</b>	<b>Please check out with the camp host/hostess.</b> Ensure everything is locked up before you leave, put the keys back in the Lock Box, and spin the combination to lock it all up.

Please enjoy the beauty and serenity of Santa Lucia, God’s gift to us all.
